

July 1, 2013

Ms. Valinda Subic, Chief
Bureau of Parks District 4
Division of Parks and Recreation
Department of Environmental Protection
1843 South Tamiami Trail
Osprey, FL 34229

Subject: 2012 Myakka Wild and Scenic River Report

Dear Ms. Subic:

In our continuing efforts to protect the wild and scenic Myakka River, we are pleased to provide this report as required by our State-Local Agreement. The information contained herein has been compiled pursuant to Section 3.08.

The following tables represent applications reviewed by Sarasota County for the calendar year 2012. These activities may be located within the Myakka River Protection Zone (MRPZ) or located outside of the MRPZ, but on a property adjacent to the river.
